

COOKIE POLICY ON THE WEBSITE www.bimilk.mk

When you visit our Website, third parties authorized by us collect cookies that contain information about you and how you use this website.

WHAT ARE COOKIES ON WEBSITES?

Cookies are text files that contain data that is downloaded to your device when you visit a Web site. The cookies are then sent back to the website from which they originate each time you visit, or to another website that knows the cookie. We use these technologies to better manage our site, to monitor the activities of the Users and thus to provide a better experience during the visit.

When you first access the Controller website, you will receive a message informing you that we are using "cookies". By clicking "Agree", closing the pop-up window or continuing to use the Website, you declare that you understand and agree to the use of these technologies.

Cookies allow our systems to recognize the user's device to make any previous settings immediately available.

As soon as the user accesses the website, the cookie will be sent to the hard drive of the device of the respective user.

WHY ARE COOKIES USEFUL?

Cookies are useful because:

- They allow our Website to recognize your device and direct the displayed content according to your interests;
- Help us improve our Website to offer you a better service, tailored to your requirements;
- Allow us to recognize your device when you return to our Web site;
- Store information about your favorite activities on the Website, allowing us to tailor our Website to your individual interests.

By using our Website you agree that, unless you have set your browser to reject them, we may set cookies on your device and use that data in accordance with this policy

TYPES OF COOKIES

There are two types of cookies - "direct cookies" and "indirect cookies". Direct cookies (first party cookies) are cookies that are directly used by the operator of the website of your device and are often used to identify your device when you re-visit the website and remember your settings while browsing the site. In general, the cookies we use are of this type.

Indirect cookies (third-party cookies) are cookies used by a service provider on behalf of the website operator and may be used by the service provider to identify your device when you visit other websites. Indirect cookies are commonly used for analytics on websites or for advertising purposes.

COOKIES THAT WE USE

Our Website uses the following cookies:

- **Session cookies.** We use session cookies to work with our service.
- **Preferred cookies.** We use our favorite cookies to remember your wishes and various settings.
- **Security cookies.** We use security cookies for security purposes.

We cannot regulate the collection of indirect cookies. Visit the website of the relevant service providers if you want to know more about these cookies and what they are used for.

If you do not want to use cookies, you can set your browser to not store cookies.

If you want to accept only our cookies, but not the cookies of our service providers and partners, select "do not allow third-party cookies" or similar settings in your browser.

CHANGE YOUR COOKIE PREFERENCES

Most browsers allow some control over cookies through browser settings (for example, notifications about new cookies, disabling cookies, and deleting cookies). You can find out more at: www.allaboutcookies.org

GENERAL INFORMATION

The cookie policy is part of the Privacy Policy of Mlekara Bitola, which explains what Mlekara Bitola as a Controller does with the information collected from our Customers. For more information, visit the Privacy Policy. This policy may be changed at any time by posting the amended Policy text on our Website as well as the date of the update. The policy changes take effect immediately after its publication. Therefore, please check this policy periodically to stay informed of any changes.
